

Veterans Exiting Homelessness: Beds for Vets

When a veteran exits homelessness they often do not have all the Move-in-Essentials needed to set up their new residence.

One of the most needed of those essentials is a bed.

Military Outreach USA created the *Beds for Vets* program to help provide to these veterans and their families who are existing homelessness a comfortable place to sleep. Beds are delivered to a VA facility and then are given to a qualified veteran or family member in need.

Family members need a bed too.

Military Outreach USA has provided hundreds of beds for our nation's veterans and their families.

Help us to continue serving them.

100% of your donation goes to purchasing beds for those in need.

No veteran should sleep on the floor.

Your donation will help provide a Veteran or their family member with a:

- Full or twin size mattress
- Full or twin size box spring
- Metal bed frame
- 2 pillows
- 2 pillow cases
- 1 set of sheets
